Inspiring, educating, and empowering the whole child!

Wednesday Early Release

March 13th
Individual

Chalk Board Graffiti

In the lounge!

This Week's Topic: How will you recharge your battery during spring break?

Our UIP Foci and Goals

1. Quality Professional Learning.
 2. Continuous Improvement Through Learning Communities.
 3. Integrate Social, Emotional, and Academic Learning into the Workshop structure.
- The median growth percentile for all learners will increase 10 percentile points in ELA over the 2017-2018 measure.
 - The median growth percentile for all learners will increase 15 percentile points in math over the 2017-2018 measure.
 - The percentile rank of Free/Reduced Lunch Eligible learners will increase 21 points in math over the 2017-2018 measure
 - The percentile rank of Students with Disabilities will increase 10 points over the 2017-2018 measure.

Lounge Duty: Jess Pearson

Shout Outs!

Thank you to Amy and all of our Brain Night supporters! It was a very successful night!

Shout outs to you for showing so much growth. Our learning walk-through was really a delight. You should be proud!!!

From Stacey: A heart felt thank you for your well wishes regarding my partner's chemo. He is doing really well!

Miscellaneous

This Friday we will be conducting peer observations, so LCs may look a little different for many of you. Check your e-mails from Allison regarding opportunities.

No meeting this Thursday. MTSS and committee work will resume after spring break!

We still have money for interventionists, so they will be back after spring break!

CMAS Assessment Schedule

Note some learners in the building will have extended time and may test beyond these windows. Please be quiet in the hallways and keep children away from intermediate classroom doors if on the playground. Times below may be slightly adjusted if needed.

March 26, 28, 29 Fourth Grade 9:15am-11:15 am ELA, 1:45pm-3:15pm Math
